CHINOOK SALMON CURTAILMENTS

Pursuant to the Resolution # GAME-2023-0369; Section 3 Part 3.5 of the 2023 Off-Reservation Chinook Salmon Hunting Regulations, Chinook salmon hunting shall curtail when the harvest guidelines are reached in a Fishery Management Area or spawning commences in more than four Fishery Management areas.

As of Monday, August 28, 2023 spawning was documented in more than four Fishery Management Areas, therefore, all Shoshone-Bannock Tribal Chinook salmon hunting will be curtailed, effective as of 11:59 p.m., Monday, August 28, 2023.

If you have any questions or concerns, please contact the Fish and Wildlife Department at 239-4551.

Dated this 28th day of August 2023.

Rebecca Croy, Project Leader
Fish and Wildlife Department
