WINTER RENTAL CHECKLIST

Keep your home warm and protect your pipes!

NOV 16TH, 2026
5:30PM
FHHA COMMUNITY ROOM

INSIDE YOUR HOME

- Test your heater early. Check for unusual noises and replace the HVAC filter.
- Seal drafty windows and use door draft stoppers.
- Insulate outlets and switches on exterior walls with foam gaskets.
- Set ceiling fans clockwise on low to circulate warm air.
- Test smoke and carbon monoxide alarms. Replace dead batteries.

PROTECT YOUR PIPES!

- Disconnect and drain garden hoses.
- Install insulated covers on outdoor faucets.
- Keep your home at 55˚F or warmer—even when away.
- During severe freezes, let hot and cold faucets drip slowly
- Open under-sink cabinet doors during extreme cold so warm air reaches pipes.

REPORT MAJOR HEATING OR PLUMBING ISSUES TO MAINTENANCE RIGHT AWAY!

Work Orders must be submitted to be placed with Maintenance for assistance. Please come in or contact Maintenance Property Coordinator at 208-237-1174 ext. 219
